

Jill Esplin: Introduction

Our speaker today, Jill Esplin, comes from Orange County, California. Jill is the creator of the interactive board game and inspirational book, *Dream Leader*.

Jill earned her degree in Communications from Chapman University, and before she became a professional speaker, Jill worked in Hollywood but realized her heart was with students and not celebrities.

Currently, Jill speaks to students and adults all over the United States, but has traveled as far as Asia, Europe, and Africa to work with teens. She also co-hosts a radio show for teens called “Gen Next.”

Today, she will inspire us to “achieve beyond the ordinary” and be our OWN Dream Leader! Now, let's give a warm welcome to... JILL ESPLIN !
